This will confirm our faxed report of May 24, 2002.

Washington, D.C.
20559-6000

Our search in the appropriate Copyright Office indexes and catalogs that include works cataloged from 1955 through April 12, 2002, under the names Richard H. Battin; J. Halcombe Laning, Jr.; Instrumentation Laboratory of Massachusetts Institute of Technology and Massachusetts Institute of Technology and the title LECTURE NOTES ON THE TRAJECTORY PROBLEM AS IT RELATES TO THE MISSION FOR INTERPLANETARY FLIGHT disclosed no separate registration for a work identified under these names and this specific title.

Your credit card has been debited in the amount of \$190.00 in payment for this search and report.

A handwritten signature in cursive script, reading 'Carole A. Bell', is positioned above the typed name.

Fax Message For Pat Rigsbee

May 22, 2002

Dear Pat

Here is the first page (title page) of the copyrighted work that we have to get the registration (and renewal) information for.

Please communicate the results of the expedited search to me as soon as possible.

Remember that the reason for the search is to enable me to inspect the original copyrighted work dated August 1961 in Washington.

Thank you.

A handwritten signature in black ink, appearing to read "Michael A. Minovitch". The signature is fluid and cursive, with a prominent flourish at the end.

Dr. Michael A. Minovitch

PS if you have any questions please contact me as soon as possible either by telephone or by fax.

Phone (323) 662-0256 Fax (323) 644-0375
