AIR, SPACE, AND INSTRUMENTS; ed. by Sidney Lees. Draper anniversary volume. Written in commemoration of the sixtieth birthday of Charles Stark Draper. Appl. states copyright is not claimed on contributions prepared by U.S. Government employees within the scope of their employment. Registered in the name of McGraw-Hill Book Co., Inc.. under A 634002 following publication March 22, 1963. No renewal found.

Additional certificates of registration may be obtained for \$30.00 each from the Certifications and Documents Section of this Office using the registration number(s) established in this report.

If you wish to obtain copies of Copyright Office records, if available, please follow the procedures in the enclosed Circular 6.

If works such as novels, short stories, contributions to periodicals, or poems first appeared as a part of a larger work and you can furnish the specific title, the name or names of the author or copyright claimant, issue number and the approximate year date of publication, a broader search could be undertaken and a further estimate provided.
