*NATIONAL AERONAUTICS and SPACE COUNCIL*  
*WASHINGTON*

April 17, 1964

Dear Mike:

Enclosed is a copy of a recent report on manned exploration of the solar system. It represents my most recent thoughts on advanced propulsion and is to some extent a companion document to the report on unmanned solar system exploration sent to you on October 18, 1963.

I would appreciate any critical comments that you care to make about this exercise.

Sincerely,

Maxwell W. Hunter, II  
Member, Professional Staff

Mr. Michael A. Minovitch  
Jet Propulsion Laboratory  
4800 Oak Grove Drive
